En garde ! Prêts ? Allez … *Register!*

Membership renewals are required each September before attending fencing.

This includes everyone who fences at the club, regardless of whether you drop in or buy a monthly/annual membership.

STEP 1: Purchase BCFA/CFF license

Purchase a BCFA/CFF 2026/27 license. This is required due to our club insurance.

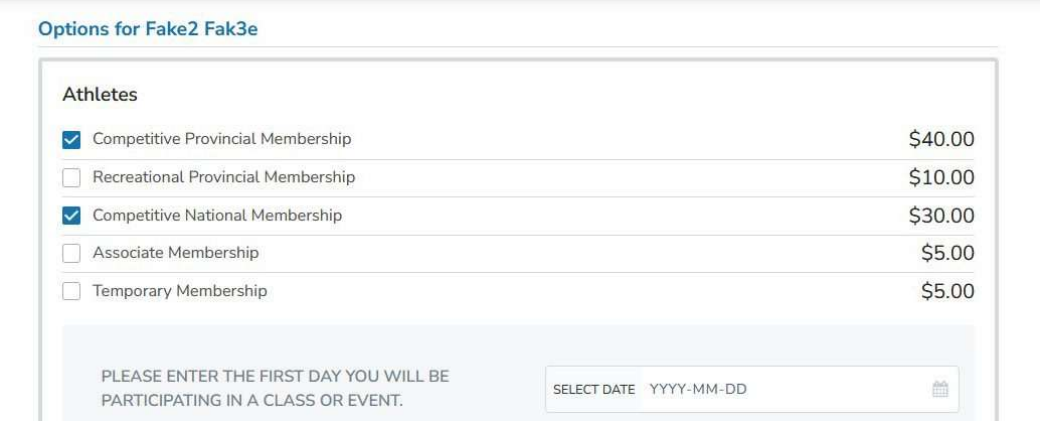

To obtain your BCFA/CFF license, visit:

https://2mev.com/#!/memberships/builder-v2/british-columbia-fencing-association-2026-2027-membership

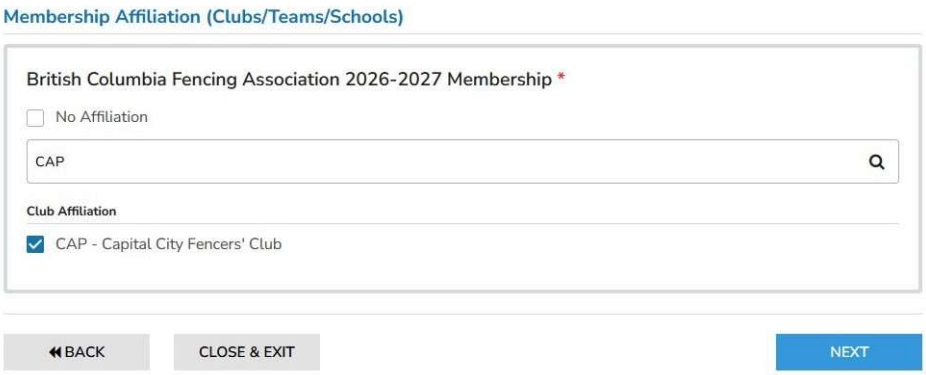

We accept a BCFA recreational license ($10 + tax)

OR a BCFA/CFF competitive license ($70 + tax) (Recommended if you attend tournaments outside of CCFC)

PLEASE ensure you select CAP - Capital City Fencers' Club as your affiliated club. (You can also select other clubs!).

STEP 2: Complete CCFC member registration

The CCFC membership form has changed a little bit, but is still found by clicking "MEMBERSHIP" on our website. https://capcityfencers.ca/renew-your-ccfc-membership/

NEW: If you have a family that is all on one invoice, you can complete your registration in one form.

ALSO NEW: You will be asked to provide your BCFA/CFF license with the registration. You can upload the membership card you will receive by email (drag and drop right from email worked for me) OR you can enter your BCFA/CFF license number.

And here is a little reminder of how much fun it will be:
